What to expect from us

If you are successful in becoming an Ammalife changemaker, you will be assigned a member of our Executive Committee to be your Ammalife mentor. This is in addition to your local sponsor. We will help support you throughout your time as an Ammalife Changemaker.

Throughout your time as a Changemaker you will need to send us regular brief updates on your project and progress, every 2-3 months, including photos wherever possible. Full details of the requirements of the grant will be made available to you through the onboarding process once any award is made.
